It's Christmas at my house! I open my eyes and see the colorful Christmas lights.

I wonder what gifts Santa Claus has brought me this year? Quickly, I wake my family up and we all gather in the living room. I reach inside the stocking with my name on it. There are candy canes, delicious snacks, and small toys! Then, I look at the large box under the Christmas tree. I hear a scratching noise. I open the box and find an adorable puppy. My new best friend!

My family will spend the whole morning sledding in the fresh, white snow. Then, we will walk around the neighborhood and sing Christmas carols. We will sing "Deck the Halls", "Jingle Bells", and "Rudolph the Red Nosed Reindeer".
